PATH OF LOVE TRUST

JUNE 2026 | MONTHLY IMPACT BRIEF

Serving with Compassion, Creating Impact.

June 2026 reflects a month of direct community action across nutrition, education, livelihood support, healthcare, rescue and community welfare. The Trust's work focused on practical assistance for vulnerable children, families and individuals.

8,100	200+	440	250
approx. monthly meal beneficiaries	students supported through free tuition	people reached through medical camp	school children reached with educational support

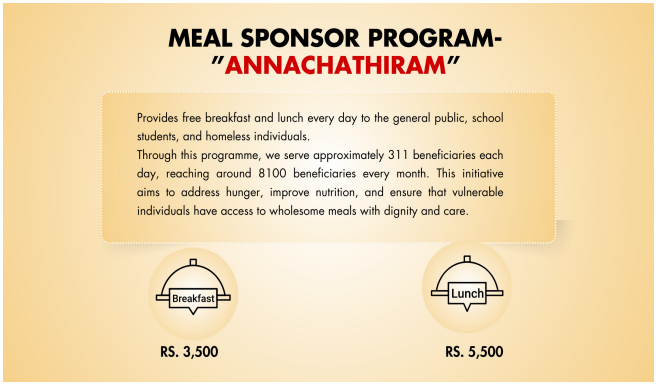

JUNE IN ONE VIEW

Nourishment — Daily breakfast and lunch through Annachathiram.
Education — Three free tuition centres with spoken English and nutritious food.
Livelihood — Umbrellas and dry ration support for vulnerable communities.
Health & Protection — Medical outreach, rescue intervention and community welfare.

The activities below are drawn from the June 2026 monthly report.

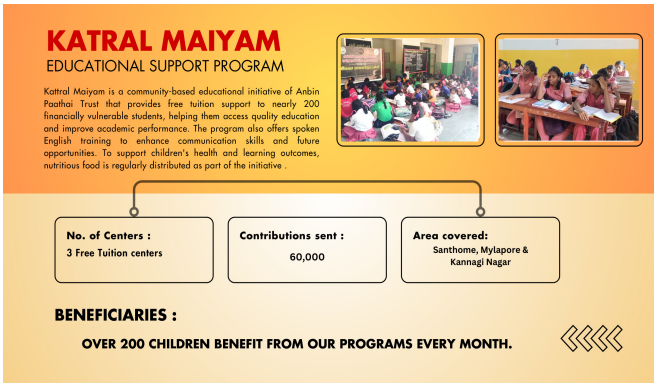

CHILDREN, NUTRITION & LIVELIHOOD

Investing in everyday essentials that support dignity, learning and household resilience.

ANNACHATHIRAM • DAILY NUTRITION

Free breakfast and lunch were provided every day to the general public, school students and homeless individuals. Around 311 people were served each day, approximately 8,100 through the month. The report records sponsorship options of ■3,500 and ■5,500.

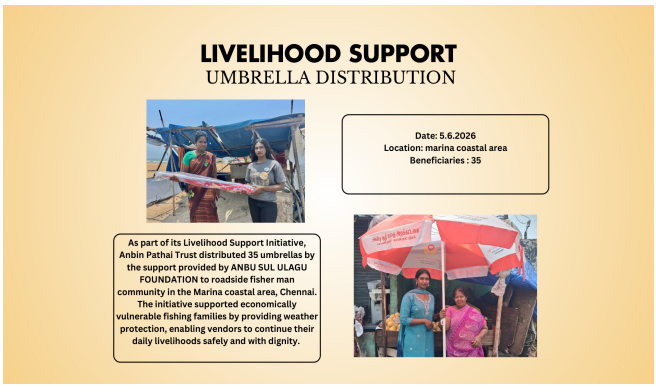

KATRAL MAIYAM • EDUCATIONAL SUPPORT

Three free tuition centres at Santhome, Mylapore and Kannagi Nagar supported nearly 200 financially vulnerable students. Spoken English and nutritious food were also part of the support. The report records ■60,000 contributed.

VASANTHAM-56 • EDUCATION & FAMILY SUPPORT

On 18 June at Santhome Parish Hall, educational materials reached 250 students and provision kits reached 100 families, followed by a nutritious lunch. The programme was supported by Mr. Vasanth.

LIVELIHOOD • MARINA FISHER COMMUNITY

On 5 June, 35 umbrellas were distributed to a roadside fisherman community in Marina, Chennai, with support from Anbu Sul Ulagu Foundation, helping vulnerable families continue daily livelihoods with weather protection.

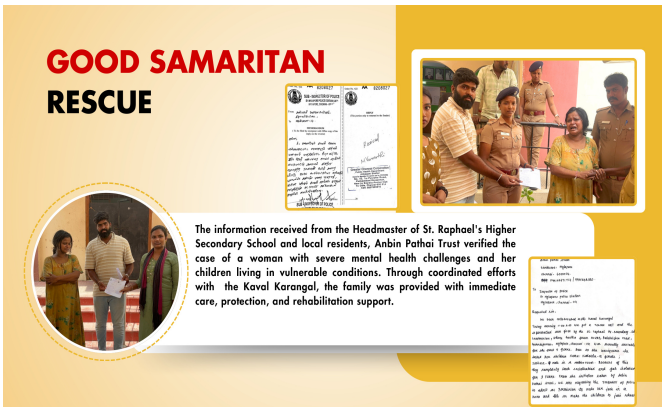

HEALTH, PROTECTION & COMMUNITY CARE

Partnership-led interventions responded to immediate needs while strengthening access to care.

COMMUNITY MEDICAL CAMP

On 13 June, a community medical camp was held at E.N. Sesha Mahal, Royapettah, from 9 AM to 5 PM. In collaboration with Jeeyar Educational Trust, Sankar Nethralaya Eye Hospital and Apollo Hospital, free consultations and basic medical services reached approximately 440 people.

GOOD SAMARITAN RESCUE

Information from a school headmaster and local residents led to verification of a vulnerable family situation involving a woman with severe mental health challenges and her children. The Trust coordinated with Kaval Karangal for immediate care, protection and rehabilitation support.

COMMUNITY WELFARE • ANNA CHATHIRAM

On 22 June, educational materials were provided to 250 school children in Standards I–V, together with a nutritious community meal. The activity brought together educational support, nutrition and community participation.

ESSENTIAL FOOD SECURITY

80 dry ration kits were provided to vulnerable families. A further 70 kits were distributed in collaboration with Judah Foundation and Kannagi Nagar coordinators, strengthening essential household food support.

PARTNERSHIPS, ACCOUNTABILITY & NEXT STEPS

June's programme delivery was supported by donors, volunteers, partner organisations and community participation.

COMMUNITY DEVELOPMENT
The Trust visited Namadhiyampakkam, Thiruvallur District, to inspect proposed land for a Community Development Centre. The visit formed part of ongoing organisational coordination.

ORGANISATIONAL LEARNING
The Saksham-56 assignment assessed board members' understanding of organisational culture, structure, governance and coordination.
